

In the insert on page 5, after line 28, related to Figures 1-6,
amend the following:

Fig. 5 is the can with the lid applied, in perspective view; and

Fig. 6 is the can open and emptied, with lid handle engaged in
the opening, in perspective view;

Fig. 7 is the can open, with the lid handle on, in longitudinal
section;

Fig. 8 is a plan view of the can when open, with a lid on, of Fig.
7; and

Fig. 9 is the can open with the lid handle fitted into the aperture,
after emptying.
